

PE and Sports Premium

Date: August 2026

Review date: August 2027

Denham Village School PE & Sport Premium Report

The primary PE and Sport Premium report for Denham Village School outlines the mandatory statutory evaluation and action plans required by the Department for Education (DfE) and the Association for Physical Education (afPE). It serves as a clear overview of how the funding improves physical education, active lifestyles, and competitive sport across our school community.

Section 1: Previous Year Reflection & Evaluation (2023/24)

What Went Well?

- **Teacher Support & Curriculum:** Implemented initial teacher training pathways and introduced a highly supportive PE curriculum scheme.
- **Leadership Focus:** The PE Lead drove target actions to boost provision quality and student skill development across all key stages.
- **Active Environments:** Enhanced playground break times with permanent markings and physical play resources.
- **Community Connections:** Provided unique experiences through deep local sports links, expanding Forest School sessions, and hosting a major summer sports event at the local cricket ground.
- **Club Consistency:** Maintained strong extracurricular consistency using our key partnership with 2BActive.

Observed Evidence & Data

- High attendance and engagement from across the student body at our summer cricket ground event.
- Logged increases in active physical play during lunch and daily break times.
- Written feedback from classroom teachers requesting the continuation and physical expansion of the core curriculum scheme.
- High-quality learning resources firmly embedded into our weekly outdoor learning environments.

Areas for Improvement

- **Leadership Time:** The PE Lead required further release time to fully embed the strategic action plan across all classes.
- **Staff Certifications:** Crucial training sessions for swimming instructors and class teachers faced minor schedule delays.
- **Site Constraints:** Physical safety challenges on school grounds (such as overgrown tree branches and exposed surface roots) temporarily restricted safe outdoor lesson spaces.
- **Outdoor Gear:** Forest School learning provisions were slightly limited due to damaged wet-weather clothing and broken equipment.

Logged Evidence & Action Triggers

- Unfinished strategic tasks were officially carried forward into the 2024/25 action plan.
- Student feedback surveys showed regular requests to bring outdoor gear from home due to missing sizes in school stocks.

Section 2: Strategy Plan & Spend Allocation (2024/25)

The planned spending for the year totals **£16,625**. It is split cleanly into four operational priorities to guarantee maximum baseline impact:

Year 6 Swimming Competency Data

This data tracks our current Year 6 cohort's swimming ability against the national curriculum requirements. The school operates on a two year cycle with Year 4 and 5 having lessons. Top up lessons provided in Year 6 for those who did not complete 25m.

National Curriculum Requirement	School Data Results (Percentage)
Swim Competently Over 25 Metres: Pupils who can swim competently, confidently, and proficiently over a distance of at least 25 metres.	75 %
Effective Stroke Usage: Pupils who can use a range of strokes effectively (for example: front crawl, backstroke, and breaststroke).	60%
Safe Self-Rescue: Pupils who can perform safe self-rescue in different water-based situations.	100%

1. Core Provision & Partnerships (£4,025)

- **Curriculum Continuity (£1,000):** Renewing the annual subscription to our primary PE scheme of work.
- **Extracurricular Delivery (£2,000):** Continuing our partnership with 2BActive for before/after school clubs, competitive fixtures, healthy minds training, and PE lead mentorship.

- **Skill Development Equipment (£625):** Purchasing brand new netball and basketball posts to target specific skill pathways.
- **Intra-School Competition (£200):** Running regular inter-house tournaments across multiple sports including football, netball, rounders, athletics, and Boccia.

2. Staff CPD & Professional Development (£2,000)

- **Peer Training Pathways (£1,000):** Allocating dedicated staff release time to support peer observation and internal lesson reviews.
- **Upskilling Workshops (£1,000):** Delivering expert-led internal workshops facilitated by the PE Lead and external sports specialists.
- **Swimming Certifications (CPD Budget):** Funding training pathways for a classroom teacher and the PE coordinator to secure formal swimming delivery certifications.

3. Site Infrastructure, Equipment & Safety (£3,900)

- **Grounds Remediation (£1,500):** Treating exposed roots and cutting away overgrown branches to reopen restricted school fields for everyday play.
- **Safety & Hardware (£2,000):** Procuring core curriculum hardware and executing mandatory professional safety compliance inspections on old equipment.
- **Weather-Proof Storage (£900):** Installing heavy-duty external storage units to protect new items from outdoor weather damage.

4. Broadened Student Experiences (£6,700)

- **High-Impact Activity Days (£3,000):** Booking specialist providers for adventure activities, including water sports at Longridge, karate, team building, and gymnastics.
- **Subsidised Sports Coaching (£500):** Sponsoring external specialist coaches to host diverse clubs spanning gymnastics, athletics, football, and multi-sports.
- **Cultural Sporting Events (£1,000):** Partnering with *Inspire* to organize cultural capital sports events and elite athlete visits.
- **Forest School Revival (£900):** Purchasing all-weather outdoor suits and replacing damaged play assets (like swings) to restore full session participation.
- **Year 6 Swimming Top-Ups (£600):** Providing expert coaches and lifeguards to run intensive swimming interventions for Year 6 pupils tracking behind the national 25-metre requirement.
- **Playground Action Bins (£400):** Refreshing playground equipment boxes to expand active recess options for all key stages.

Section 3: Expected Impact & Key Indicator Mapping

The planned initiatives align with the five **DfE Key Indicators (KI)** to guarantee long-term educational sustainability:

Planned Initiative	Budget	Primary DfE Key Indicator Alignment	Expected Evidence & Sustainability
--------------------	--------	-------------------------------------	------------------------------------

Swimming Top-Up	£600	KI 4: Broader experience of a range of sports and activities.	Tracking sheets confirming an increased percentage of Year 6 pupils achieving 25m competency.
Playground Kits	£400	KI 1: Engagement of all pupils in regular physical activity.	Reduced behavioral incidents at lunch; higher active participation logs.
PE Scheme Subscription	£1,000	KI 3: Increased confidence, knowledge, and skills of staff.	Embedded lesson plans that remain in the school repository long-term.
2BActive Partnership	£2,000	KI 3 & KI 5: Staff upskilling and increased competitive sport.	Staff survey tracking confidence gains; competition registers.
Staff CPD & Release	£2,000	KI 3: Increased confidence, knowledge, and skills of staff.	Peer feedback notes; sustainable delivery independent of coaches.
Experience Days	£3,000	KI 4: Broader experience of a range of sports and activities.	Pupil voice surveys; high engagement from less active student cohorts.
Extra-Curricular Clubs	£500	KI 4: Broader experience of a range of sports and activities.	Club attendance sheets showing a diverse cross-section of pupils.
Forest School Provision	£900	KI 1: Engagement of all pupils in regular physical activity.	Regular timetable logs of outdoor learning across all year groups.
Grounds Clearance	£1,500	KI 1: Engagement of all pupils in regular physical activity.	Immediate expansion of usable square footage for daily play and PE lessons.
Inter-House Tournaments	£200	KI 5: Increased participation in competitive sport.	Inclusion statistics tracking Pupil Premium (PP) and SEND match play.
Core Equipment & Posts	£2,625	KI 1 & KI 2: Profile of PE raised across the school.	Reduced down-time in lessons; hardware stays usable for 5+ years.
Inspire Partnership	£1,000	KI 4: Broader experience of a range of sports and activities.	Cultural capital logs and photo portfolios of unique school events.

External Storage Units	£900	KI 1: Engagement of all pupils in regular physical activity.	Longevity of assets; easy access to play items by Playground Pals.
-------------------------------	------	---	--

Governor Sign-Off & Accountability

- **Review Cycle:** This working document is updated throughout the school term to monitor impact, spending data, and pupil voice feedback.
